

Oak Knoll 3rd, 4th and 5th Grade Girls and Boys Basketball

Basketball teams will play in the Menlo Park Recreation (Burgess) League competing against other area schools. The Oak Knoll teams will be comprised of separate Oak Knoll 3rd, 4th and 5th grade girls and boys. No previous experience is necessary. The coaches are parent volunteers. Team practices begin early December and will be 2 times per week at Oak Knoll. Games begin the second week of January and last through the end of March. Teams generally play one game per week, on one of the two days listed. Accommodations cannot be made for scheduling conflicts. Games are played at the Burgess Gym as follows:

3rd Grade Girls - Friday and Saturday
3rd Grade Boys - Friday and Saturday

4th Grade Girls - Monday and Tuesday
4th Grade Boys - Monday and Thursday

5th Grade Girls - Wednesday and Thursday
5th Grade Boys - Tuesday and Wednesday

To sign up, register on-line at: www.sportability.com/oakknoll

Deadline to register is Tuesday, November 10. NO late registrations will be accepted. If the league is unable to accommodate all interested Oak Knoll students, then registration will be based on a first-come, first-serve basis.

The cost for the season is \$75.00. Scholarships are available.

We need coaches and assistant coaches to make the program possible, so please volunteer. Coaches are expected to attend a mandatory coaches meeting on November 18 at 7:00 p.m. to form the teams. Attendance is also highly encouraged at a specially sponsored Oak Knoll coaches' clinic on December 2nd at 7:00 p.m. which will cover skills, drills and practice outlines. Both meetings will be held at the Oak Knoll multi.
